

# CHENGALARAYULU CHINTHAKAYALA

Venkatagiri, Andhra Pradesh | +91 9948932145 | [chengalchinthakayala3@gmail.com](mailto:chengalchinthakayala3@gmail.com) |  [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

## Objective

---

Detail-oriented B.Tech graduate with hands-on full stack Java and web development experience from internships, demonstrating a strong commitment to delivering practical solutions. Skilled in Java, Spring Boot, React.js, Node.js, MySQL, and PostgreSQL with a strong foundation in building scalable, secure, and user-centric applications. Demonstrated technical expertise in solving complex challenges and contributing effectively to dynamic development teams, with a commitment to continuous growth.

## Internship Experience

---

### Full Stack Web Developer Intern | Future Interns – Remote | Sep 2025 – Oct 2025

- Developed portfolio, mini e-commerce, and Spotify redesign projects using React.js, Node.js, Next.js and PostgreSQL.
- Improved frontend design, backend integration, and state management through real-world applications.

### Full Stack Java Developer Intern | EazyByts Web Solutions – Remote | Jun 2025 – Jul 2025

- Built and deployed Chat App, Stock Simulator, and News Aggregator using Java, Spring Boot, Hibernate, and MySQL.
- Strengthened backend logic, database design, and API integration skills.

## Technical Skills

---

- **Programming & Web Technologies:** Java, Python, JavaScript, HTML, CSS, React.js, Node.js, Express.js, RESTful APIs
- **Databases & Tools:** SQL, MySQL, PostgreSQL, Firebase, PGAdmin, MySQL Workbench, API Integration
- **Frameworks & Tools:** Spring Boot, Hibernate, GitHub, Visual Studio, Firebase Studio, Vercel, Adobe Firefly, Excel
- **Cloud & DevOps:** Microsoft Azure Fundamentals, AWS Cloud Practitioner, Containers, Docker, Linux
- **Soft Skills:** Problem-Solving, Adaptability, Self-Awareness, Time Management, Attention to detail

## Projects

---

### Mini E-Commerce Website | React.js, Node.js, JavaScript, React Context API, PostgreSQL, GitHub

- Built a full-stack shopping platform with catalog, cart, and checkout; implemented authentication & responsive UI.

### Stock Trading Simulator | Java, Spring Boot, Hibernate, JavaScript, MySQL, REST APIs, Stock API, GitHub

- Developed a real-time simulator with live APIs and portfolio tracking; optimized backend performance.

## Education

---

**Bachelor of Technology (EEE)** – Sri Venkateswara College of Engineering, Tirupati | 2023 | CGPA: 8.0/10

**Diploma (EEE)** – Government Polytechnic College, Guduru | 2020 | 94.5%

**Secondary School** – Mother Academy E.M High School, Venkatagiri | 2017 | GPA: 9.8/10

## Certifications

---

- **Full Stack Web Developer Internship Certificate** – Future Interns | Oct 2025
- **Full Stack Java Developer Internship Certificate** – EazyByts Web Solutions | July 2025
- **Java Full Stack Development Certificate** – J-Spiders | Feb 2024
- **Microsoft Azure Fundamentals (AZ-900)** – Microsoft | Oct 2022
